GENL. & REV. SECRETARIAT 467 14 NOV 1931 MUZRAI.

SIR,

In forwarding herewith the file of papers received with correspondence ending with letter No.M.1443/30-31 dated 2-9-31 from the Deputy Commissioner, Tumkur District, in the matter of constructing a new temple dedicated to Phiredevaru in Ajjenahalli village, Chiknaikanahalli Taluk, I have the honor to state as follows:-

In February 1931 the Deputy Commissioner recommended that permission may be granted to one Kengiah to construct the temple in S.No.14 of the village. This proposed temple being close to the existing Basavanna temple on S.No.21, there was objection to the construction of the new temple on the ground that animal sacrifices might be offered before the new temple. The Amildar, after inspecting the place stated that permission might be granted to the applicant to construct a temple measuring 10' x 10' in S.No.14 which belongs to him at a spot about a furlong off from the Basavannadevaru temple as the party agreed not to offer animal sacrifices.

As it was seen from the records that the villagers were constructing another temple dedicated to Phiredevaru in S.No.24 after obtaining license from the Sub Division Officer, the Deputy Commissioner was asked to report the necessity for a second temple. The Deputy Commissioner now reports that Kengiah has a vow to build a temple for Phiredevaru in his own land at his own cost.

In these circumstances, I request that permission may be granted to Kengiah to construct a small temple of Thiredevaru in S.No.14 on the spot, about a furlong from the Basavannadevaru temple, to be fixed up by the Amildar as recommended by the Deputy Commissioner.

I have the honor to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

SIR,

With reference to your letter No.754/ Miz.108-31 dated 23rd November 1931 and item No.820 Miz.108-31 dated 5/7th December 1931 in the matter of construction of a temple dedicated to Basava Deva at Ajjenahally village, Chikmagalur Taluk, I have the honor to forward herewith copy of letter No. .1443/30-31 dated 23rd December 1931 from the Deputy Commissioner Tumkur District reporting that the question may be dropped as the villagers object to the grant of license for the temple on the ground that the applicant is trying to create parties in the village. But I am however of opinion that the protest of the villagers against the construction of another temple need not come in the way of applicant building one, as he has stated he is to build a temple at his own cost, in his own land to fulfil a vow he had taken so that his children may survive.

2. In these circumstances I recommend that permission may be granted to the applicant to build the temple in survey No.14 on the spot about a furlong north of the Basavanadevaru tope as fixed up by the Amildar as already recommended in his letter dated 12th November 1931.

3. The connected file together with a copy of the Deputy Commissioner's letter dated 23rd December 1931 is enclosed for reference.

Letter No.' .1443-50-31 dated 23rd Dec ber 1 31 from the Deputy Commissioner Tumkur District to the Muzrai Commissioner in Mysore.

With refer nce to your letter o.1270/ 0-31 dated 7th December 1931 in the matter of permitting Kengiah to build a new temple dedicated to Bhairedevaru in Ajjenahalli village, Chikkanayakanahalli Taluk, I have the honor to state that I visited the village on 20-12-31 with the Amildar and saw the temple built on S.No.24 as well as the S.No.of Poojari Kengiah(14). The temple on S.No.24 is already more than half completed. I made enquiries today during Jamabandy. The villagers object to the grant of permission to poojari Kengiah on the ground that he is trying to create parties in the village by prying to get a separate license. The petition given to me during Jamabandy is also enclosed herein for your perusal. In these circumstances, I am of opinion that the darkhast may be rejected and the matter dropped. The connected file of records accompanies.

Sugari Pongiah, who has been granted permission to construct the temple in S.No.14, has given a petition before the Magistrate on 11-4-1931 to the effect that in order to fulfil a vow he had taken for getting children, he desires to construct the temple in question at his expense on his own land. He has again stated before the Magistrate on 18-6-1931, that he has no objection to the public taking offerings to the God in his temple but that he himself should have the right to worship.

As regards permission granted by the Sub Division Officer for the construction of a temple in S.No.24, it is stated that as there was no takarar for its construction the permission was given. The entire records on the subject are herein enclosed for kind perusal and orders regarding the construction of the temple in survey No.14.
